

PREP Case Management

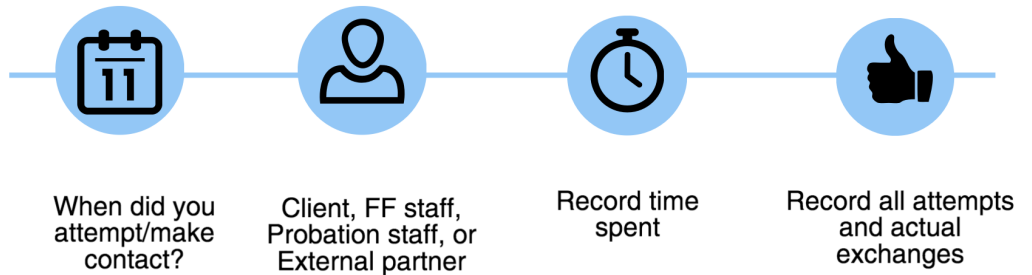

Planned Re-Entry Program

This Guide Sheet supports staff in collecting a spectrum of information while engaging in Case Management activities.

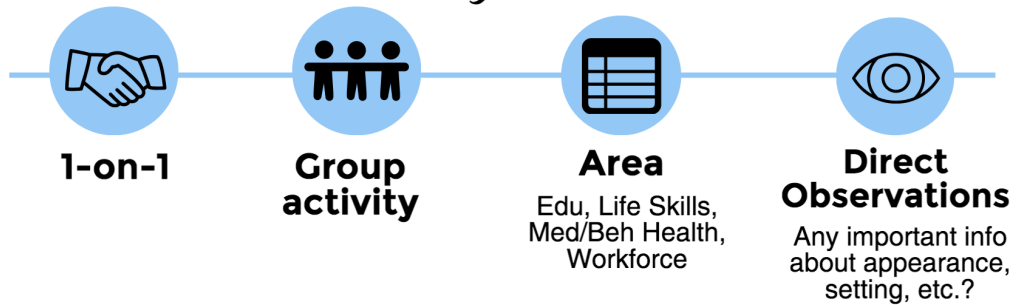

Notes:

Core Case File Data

Notes:

Activity Details

Strengths & Barriers

Notes:

For effectively partnering with Clients and to collect vital data, talk with clients about their emerging Strengths and Barriers to accomplishing goals.

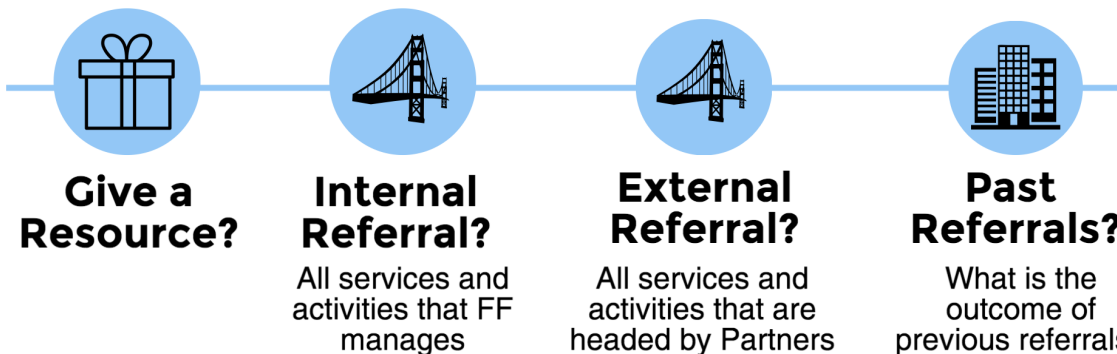

What does the Client report about strengths and barriers?

This conversation may lead to Referrals, Resources, or new Case Plan Goals...

Future Plans

Record plans for future appointments and goal-specific actions.

Enter Notes

Enter the notes that you collected during this Case Management activity into the Case File Form.
